Treo Ranches "Bargain Market" is a new concept to show our packages in their prospective price ranges. We plan to run specials in all price ranges throughout the year so keep checking the master package listing on our web site. The web site also contains explanations of each package.

All packages will take place at the Treo Lodge, we have closed down the Carlson Lodge and it is no longer in operation. The hunting areas will not change — we still have Dryfork, the Kennels, and the Carlson Preserves which all totals 3,340 acres to hunt.

Call or email Kathy after you have determined the activity and price range that fits your desires. Thanks for your business and remember, it's always "Good Times at Treo."

Thanks, Phil
